# COPAC December General Meeting Guest Speaker: **Rhonda Ovelson, Director of Instruction for Feeding Futures**

- provided an update on the Feeding Futures program as well as information from Health Promoting Schools. Feeding Futures supports many families via a variety of programs including breakfasts programs, brown bag lunch programs and backpack programs. This is a growing issue in our community with over 1,000 students needing and receiving meals at breakfast and lunch and well over 300 students on the backpack program.
- Health Promoting School committee part of the mandate is to assist in the development and monitoring of the school district health plan.
  - ✓ Mental Well-Being (Social Emotional Learning, Strategies)
  - ✓ Social Well-Being (Belonging and connection)
  - ✓ Physical Well-Being (Food Nutrition; Quality Daily Activity)
    - Narrowed Focus for COPAC presentation: Access to food and healthy eating behaviors.

#### DRAFT Goal(s):

## -to ensure every student has sigma free access to food, and is learning about nutrition, during the school day

-to ensure every student is participating in daily physical activity that they enjoy and learning that lifelong participation in physical activity has many health benefits.

#### O Why FOCUS on Food & Nutrition?

- 21.8% of households living with food insecurity have children under 18 in themalmost 1 in 4 under 18 lived in food-insecure household and these percentages are disproportionately higher for indigenous households (33.4%) and visible minority households [Stats Canada]
- Physical readiness for the school day has sharply worsened in Wave 8 data (EDI) and 15.1% of students reported not eating breakfast 5+ times/week (MDI)
- 10% of youth on YDI reported that in the last 12months that they often or sometimes worried about food running out before their family got money to buy more
- 13% of students in grades 4 and 7 responded that they have felt hungry because there was not enough food to eat most of the time or all of the time and 18% of students in grades 10 and 12 which is above provincial average (BC Student Learning Survey-Satisfaction and Wellness Report)
- SD23 will be receiving \$2.8 mil per year for the next 3 years to expand school food programs
- SD23 also utilizes grants, charities, and community partnerships to do this work (Power Full Kids Grant, Breakfast Clubs of Canada, Helens Acres, Independent Grocers, Rotary and more)
- Breakfast and Backpack programs- partner 'Food for Thought', has a team of almost
   90 volunteers delivering breakfast a la carte items to schools, almost 1000 per day

- Expanding Brown Bag lunch program students accessing these lunches expected to grow upwards of 20% over the next 3 years. Annual Expenditure is approximate \$1.7million
- CUPE staff additional support to running school food programs- to date about 30 schools have added staff.
- SD23 applied and received \$150,000 from the Capital Management Branch Grant, \$61,000 of equipment purchased so far. Plans to update the commercial kitchen at RSS (est. cost of \$80,000).
- Applied for more capital funding for next year to update other schools with commercial kitchens needing upgrades like MBSS and KLO
- How to get better together, virtual learning network for professional learning around providing stigma-free access to healthy, local food.
- Social Stigma & Poverty 2 departments focusing to remove barriers for accessing food: SD23 Welcome Centre and SD23 Indigenous Education Department
- Created a space for collecting cash donations through school cash online- Select "Feeding Families"
